

A DINO-SIZED MISSION KIT

HATCH YOUR DINO

Snap, stack and build a **pawsitively** new dinosaur.
Kids spark their imagination, curiosity and patience.

SUGGESTED MATERIALS

- Magnetic Tiles
- Blocks
- Bricks
- Paper
- Markers
- Crayons
- Colored Pencils

DIRECTIONS

1. Have kids pick 10 construction toys (magnetic tiles, bricks, blocks, etc.) to build their very own **dinosaur**.
2. Once they build it, allow them the option to draw it on the paper and name it.
3. Make sure to ask what skills the dinosaur would have to **help in a rescue** and help the kids write them down!
