SUGGESTED MATERIALS

- Chairs or Stools
- Pup Tag Cut Outs
- Speakers
- "Bottle Up" Music Video

DIRECTIONS

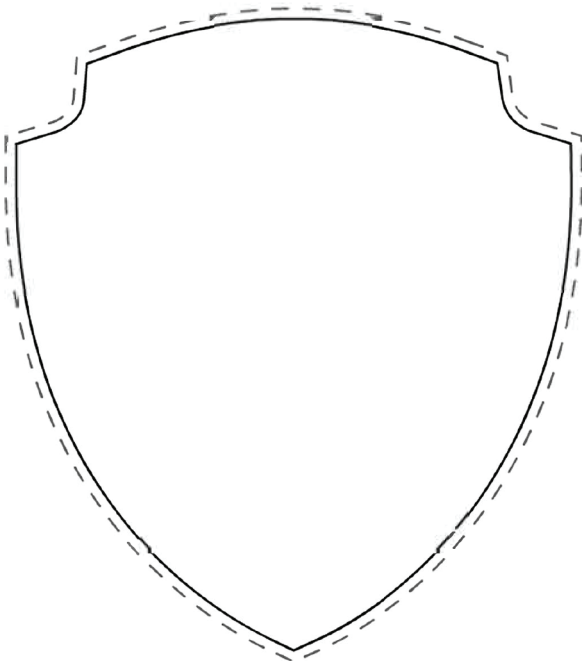

1. Print and cut out **pup tag cut outs**.
2. Setup space where kids can **gather in a circle** with access to a sound system.
3. When the music begins, kids pass one **pup tag** from one person to the next. Once the music stops, the person holding the **pup tag** is out. Continue playing until one kid is left.
 - A. Alternate: Instead of being "out" kids could roar, name a dinosaur, name a **PAW Patrol** character, etc. and all could continue playing.
