LESSON 5: DESIGN A BUG HOTEL

Discover what's needed to design a cosy garden hotel for bugs and insects.

Before you start, consider:

- The materials you'd need and whether they'd be recyclable.
- How your design would be eye-catching and innovative.
- Have you thought of special features to entice bees, butterflies, insects and bugs to stay over at your bug hotel?

DON'T FORGET THE CLOSING DATE!

WELL DONE!
