LESSON 1: THINK PAIR SHARE

When in your daily life do you use addition?

Imagine not being able to use addition in your life? You need to work hard in this lesson to save Starfire so the residents of Jump City can continue to use addition.

LESSON 1: THE ADDITION CHALLENGE

In pairs, create your own addition problems that you both can solve.

Now comes the challenge...

Create 10 addition problems for your partner.
Don't make them too hard as you must be able to solve them!

Switch them and mark them!

Keep going... you need a good score to save Starfire!

LESSON 1: DID YOU SAVE STARFIRE?

Can you challenge your people at home to help keep Jump City safe?

THE BATTLE TO SAVE JUMP CITY

TAKE HOME ACTIVITY SHEETS:
ADDITION CHALLENGE: SAVE STARFIRE

Create 15 addition sums for someone at home and see if they can save Starfire.

Instructions:

- ★ Ask someone at home if they would like to help you save Starfire.
- ★ Write 15 addition sums for your parent/adult/brother/sister and see if they can solve the sums.
- ★ If they get 10 correct then they have succeeded and have helped to rescue Starfire.
- ★ If they get less than 10 correct, tell them they need to work on their addition skills and they have not saved Starfire!

Why not try with other people in your house?
Remember to make addition sums that you can mark!

COMING SOON! COMPETITION ALERT!

Remember to ask your teacher about the brilliant Teen Titans Go! competition with AMAZING prizes for you and your class!

SUPER.
