# LESSON 1: WHAT WE CAN LEARN FROM A MAP?

- Have you studied your local map?
- Using a map, what can you discover about:-
  - The layout of your locality?
  - Interesting historical features?
  - Names of rivers, hills, ponds or lakes?
  - Roads and railways lines?
  - Old highways and byways and disused railway lines?

What can you learn about how your area has changed over the years  
- from generation to generation?

**WELL DONE!**  
You've learned how using a map  
can bring your locality to life!
