

LESSON 4: My Magical Island

LESSON 4: MY MAGICAL ISLAND

An island in the sun is, for many, their dream holiday destination. Picture the golden sands, shimmering blue sea and cloudless sky, and no homework!

This lesson is all about islands.

HOW WELL DO YOU KNOW YOUR ISLANDS?

Can you say in which sea or ocean, you'd find:

- The Canary Islands.
- Baffin Island.
- Sri Lanka.
- Isle of Wight
- Tonga.

Warning: Not all of these islands can guarantee golden sands, a shimmering blue sea or cloudless sky.

LESSON 4: CHOOSE A CITY OR TOWN AND GET TO KNOW IT:

This is your opportunity to create an amazing island of your own. What should you include? Here's some suggestions:

- A golden, sandy beach.
- An alligator-infested swamp.
- A spectacularly high and beautiful waterfall.
- An impenetrable jungle.

These are just suggestions - you'll have plenty great ideas of your own (don't forget to give your island a brilliant, impactful name).
