Climate Champion!

LESSON 5: MAKE EVERYONE A CLIMATE CHAMPION!

That includes:

- ★ All of the *Teen Titans Go!* team.
- ★ Everyone in your class.
- ★ Your family.
- ★ And most of all, YOU!

LESSON 5: YOUR TEEN TITANS GO! EPISODE

This is your chance to complete your Climate Champions episode.

Double-check these items:

- ★ Has it got at least 3 *Teen Titans Go!* characters?
- ★ Have you set it out like a play?
- ★ Remember, each new person speaking should start on a new line.
- ★ Does it have a beginning, a middle and an end?
- ★ Is it FUN?

**IF IT HAS ALL THESE ELEMENTS, YOU ALREADY ARE A...
CLIMATE CHAMPION!**

LESSON 5: MAKING IT PERFECT

And, here's a few more items to check:

- ★ When each character speaks, do the words match the kind of person they are? For example...
- ★ Raven: might not use so many words but she will be thoughtful and careful in her choice of words.
- ★ Robin: expects people to follow his instructions.
- ★ Starfire: she's an intergalactic princess, but sometimes life on earth confuses her.
- ★ Beast Boy: might seem to be a little lazy!

You can use whichever *Teen Titans Go!* members you wish - but don't use too many.

LESSON 2: READY TO PERFORM

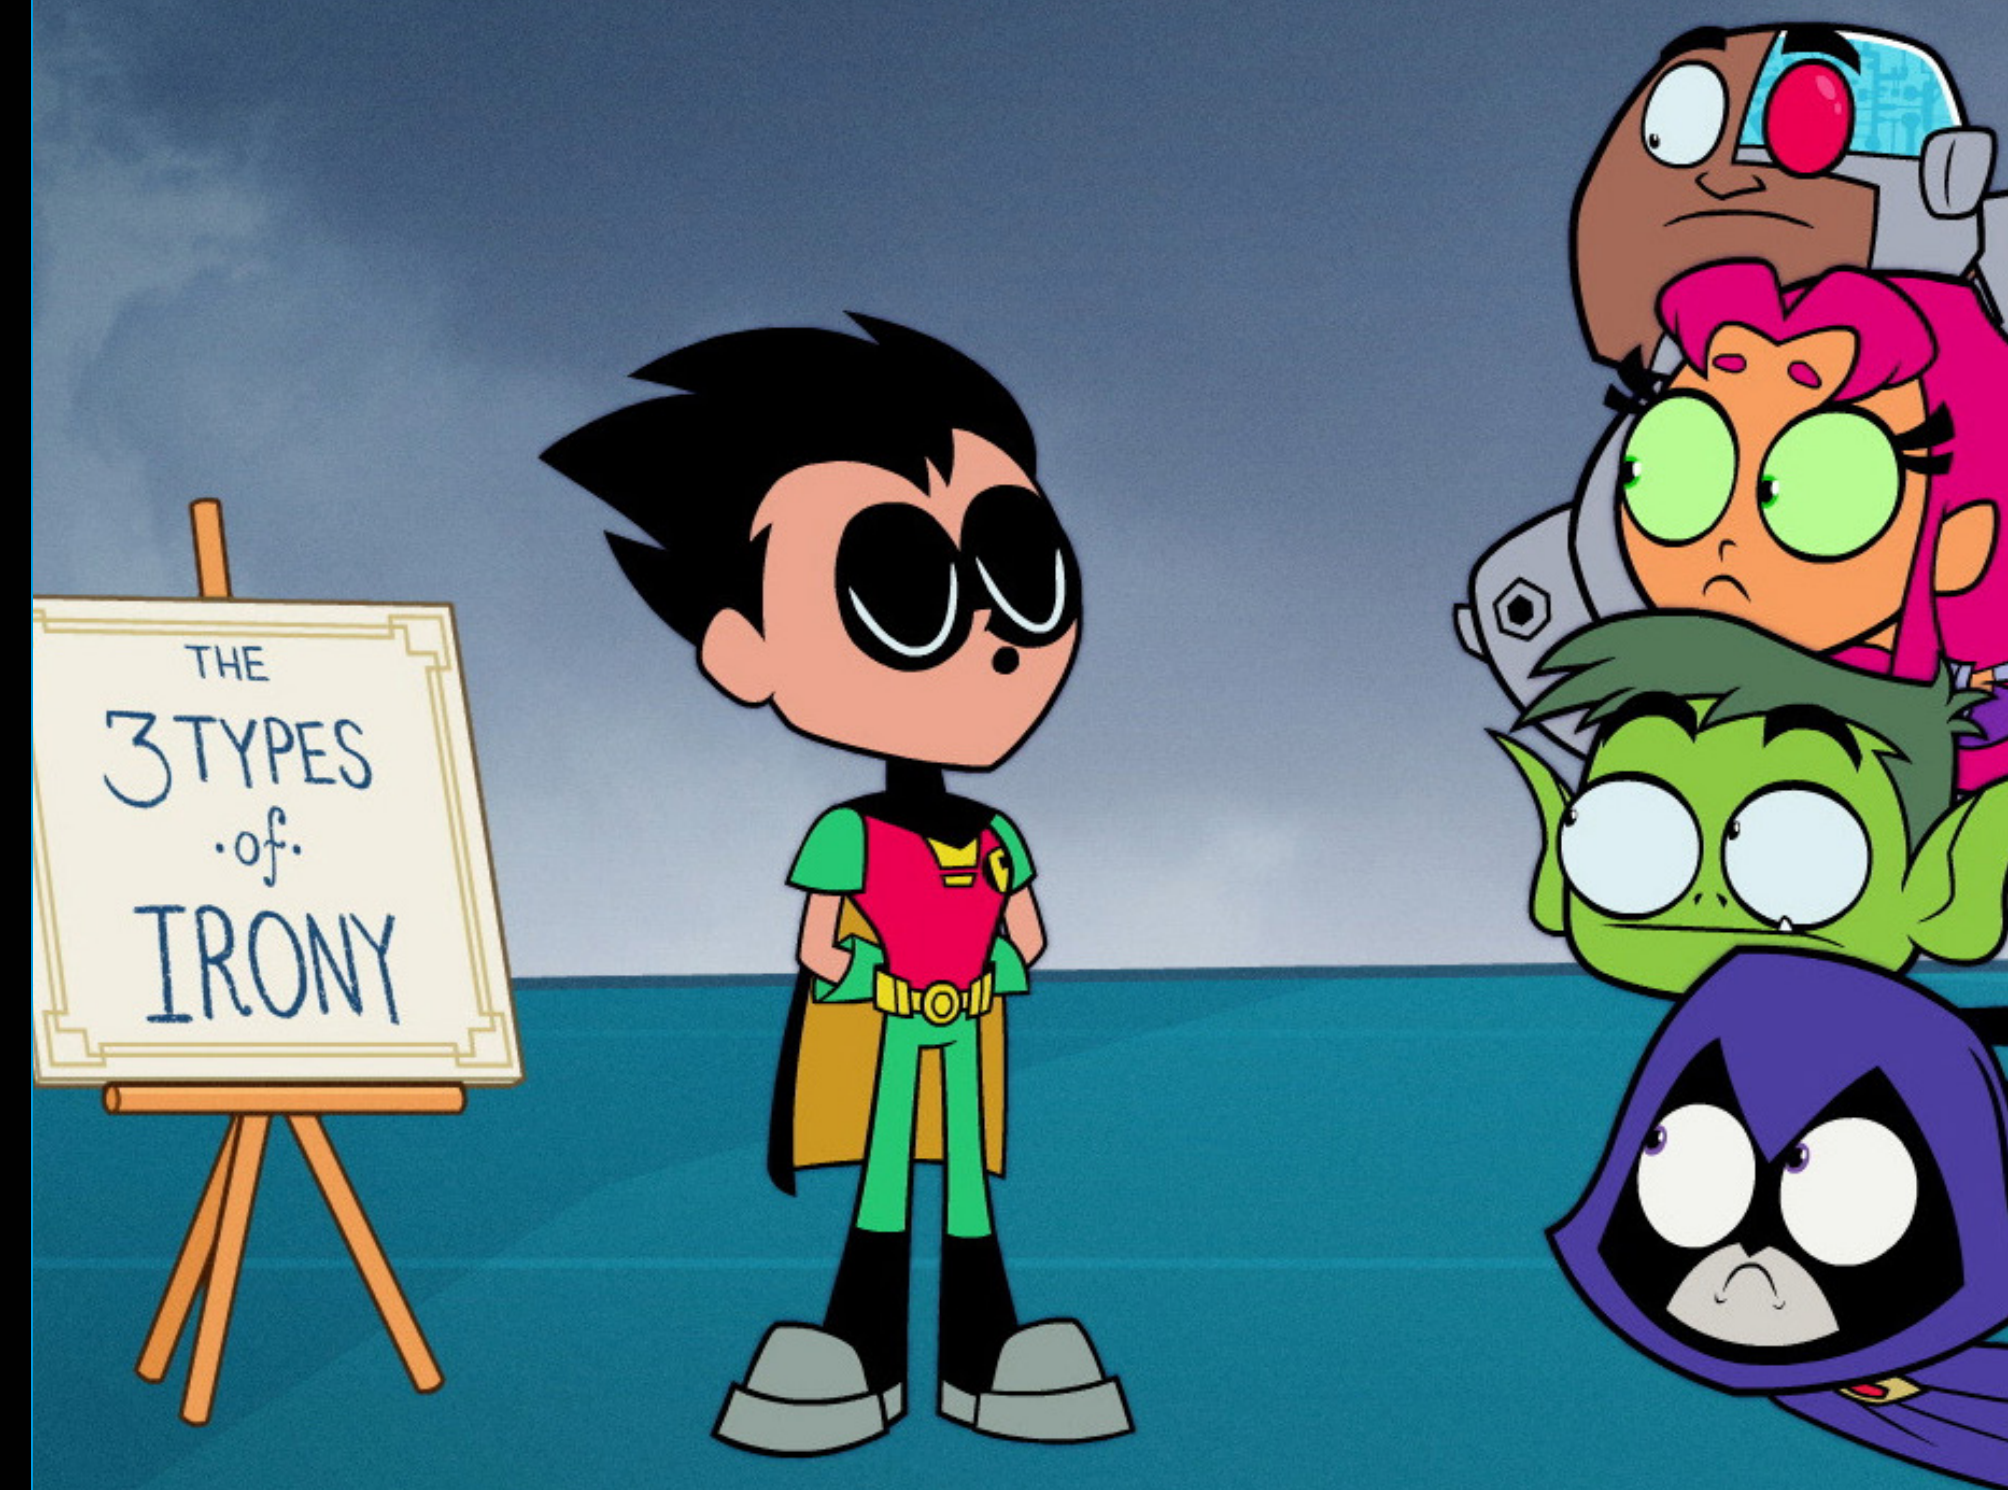

This is your last chance to check your *Teen Titans Go!* episode before you perform it in front of the class. Have you:

- ★ Included pictures?
- ★ Double-checked the spelling and punctuation (ask your teacher if you're unsure)?
- ★ Decided who will play each part?
- ★ Selected who'll introduce your episode to the class?

And finally...

- ★ ...Have you made sure that in the end, all the *Teen Titans Go!* team (even Beast Boy) are...

CLIMATE CHAMPIONS?

THANK-YOU FROM TEEN TITANS GO!
For Becoming Climate Champions!
SEE YOU AGAIN, SOON!
