## Lesson 3: Getting the word out!

## LESSON 3: SPREADING THE WORD

Final check for your *Teen Titans Go!* anti-bullying poster:

- ★ Are you happy with it?
- ★ Any last minute changes?
- ★ Is it going to attract attention?
- ★ Are you proud of it?
- ★ And the crucial question:  
'Will the *Teen Titans Go!* team love it?!'

## LESSON 3: CREATE AN ANTI-BULLYING ASSEMBLY

The *Teen Titans Go!* team would like you to take your message further afield...

- ★ ...in a special ANTI-BULLYING ASSEMBLY.
- ★ Here's some anti-bullying assembly ideas...
- ★ Take the posters your class has produced.
- ★ And place them strategically around the stage or the front of the assembly hall.
- ★ Make sure they are facing the audience and can be read easily.

## LESSON 3: NO MORE BULLYING!

Then...

One pupil walks to the front of the stage/hall and announces  
*'This is Anti-Bullying Week 2021'. This year's theme is 'One Kind Word'.*

That pupil then walks off stage. Then:

- ★ Each group picks up their poster, walks to the front and says a few words about the importance of the message on their poster.
- ★ They walk back and the next group does the same with their poster.
- ★ Each group does the same thing and then, at the end...
- ★ The whole class steps forward and chants 'No More Bullying!' and/or 'One Kind Word!'.
