Helpful Advice:

- 🍷 The competition judges will take into account the extent to which Gumball has understood the importance of healthy eating when creating his picnic.
- 🍷 Don't invite more guests than you can cope with - it's better to have a slightly smaller-scale event where everyone enjoys delicious food and has a good time rather than invite too many people and run out of food.
- 🍷 When preparing food for *The Amazing World of Gumball Picnic*, you must be supervised at all times by a teacher, parent, guardian or other adult.
