

ACTIVITY SHEET 4

HOW DID IT GO? (LESSON OPTION 1)

When you think back over the whole process of building & launching the rocket what were:

- The highlights.
- The disappointments.
- The funny moments.
- How did the launch go? Describe it in detail.
- What have you learned from the process about travel in outer space, about how to build a rocket & about working in a team?
- Are you inspired to become a rocket scientist?
- If you were offered the opportunity of a seat on Richard Branson's upcoming mission to Mars, would you take it?
- Why or why not?

UNEXPLORED WORLDS (LESSON OPTION 2)

- Imagine one or two of the unexplored worlds that Emmet, Lucy & Batman discover when they encounter unexplored worlds on their space journey.
- In what ways might those worlds be even more beautiful than our own?
- Will they have frightening experiences & what might those be?
- What lessons might our own world learn from Lucy, Emmet & Batman's encounters in the unexplored worlds?
